

What do you See?

Description of a picture

Decorate the picture.

Describe what you see in the picture.

Plan before you write

What do you see?

- :: write about the relative position of each object/thing. eg in front of, next to.
- :: write about the shapes used to draw the house.
- :: use numbers eg the number of cows
- :: describe the colours used (if you have a coloured version)

name: _____

 Write in sentences.  Pay attention to spelling and punctuation.

Checklist for descriptions

- Start with what is being described.
- What it looks like.
- Used descriptive words and if needed positional language & similies.
- **If relevant where it is, what it does, how it feels or smells.
