

Planet Description

Research and learn about one of the planets in our solar system. Then, write a description of the planet.

Planning and Ideas

- ★ The size of the planet.
- ★ The planet's appearance.
- ★ What the planet is made of.
- ★ Temperature range on the planet.
- ★ Number of moons.
- ★ Interesting or unusual facts / features.

name: _____

 Write in sentences.  Pay attention to spelling and punctuation.
