

Balloons

Balloons that float are usually filled with gas called helium.

What colour balloon is your favourite?

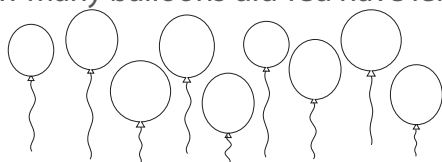

How long can you keep a balloon in the air without it touching the ground?

Colour these balloons 

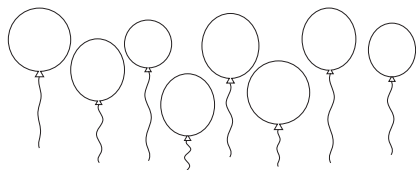

Number Crunchers

- 1 Ted has 9 balloons, but 5 blew away.
How many balloons did Ted have left?

- 2 Reese had 8 balloons, but 6 flew away.
How many balloons did Reese have left?

Writing a narrative

Write a narrative (story) about the topic:
'The Red Balloon'

Plan before you write.

- 1 Who are the people in your story?
(characters)
- 2 Where does the story take place?
(setting)
- 3 What happens?
- 4 How does the story end?

Draw pictures to illustrate your story.
