CREATE A POSTER

Procedures are **instructions** that tell the reader how to do something.

The instructions can be displayed in the form of a **POSTER**.

Ideas for creating a poster

- A main message: Clear big writing
 - A main picture to support the message
 - Other smaller messages and pictures (optional)
-

What your poster is about:

What to do in the case of a fire

What is the main message? (use one of these or create your own)

examples:

KEEP LOW AND OUT YOU GO, STAY CALM AND HEAD OUT,
LOOK FOR A WAY OUT

Plan your main picture and any other messages or pictures
