My Trip To Space

Questions to think about

Imagine blasting off in a rocket ship bound for space. Where will you go?

Will you write in the first person? (You are the main character. Use 'I', 'we')

How will you describe outer space?

What problem will you encounter?

What series of events will take place as you try to solve the problem?

How will you express your feelings about the trip? Are you scared, excited, sad, happy?
