Writing Task

Writing Instructions

Read the information in Studyladder's Slideshow: 'Making Hand-made Recycled Paper'

Create an instruction sheet to describe how to make recycled paper.

Writing Instructions

- Begin with a list of the resources that are needed for the task.
- Create a list of steps for each stage of the process.

Writing Instructions

Tip: Begin each step with an action verb. You could also add a modifier to describe how to complete the action.

For example:

Carefully add

(modifier) (verb)

Your language for each step should be clear and concise. This helps you get the right message across to readers.
