paper

cotton

Study *ladder*

When objects are painted it can be difficult to tell what they are made of.

How can you use your senses to help you find out?

Sense of Sight

Our class' discussion points:

Sense of Touch

Our class' discussion points:

Sense of Hearing

Our class' discussion points:

Sense of Smell

Our class' discussion points:

Sense of Taste

Our class' discussion points:

Test out your senses!

Find some objects.

Use your senses to help you work out what materials they are made from.

Use Studyladder's '*What Is It Made Of*' worksheet to record your observations.

WHAT IS IT MADE OF?

Using Your Senses

Select three everyday items. Draw each item and list the materials you think they are made of.

Write how you used your senses to reach your conclusions.

Name: _____
