

Bushranger Encounter!

Imagine running into this fellow on the road out of town!

Write a narrative about an encounter with a bushranger.

Choose a point of view :

- * *Perhaps you have just sold your gold and you are carrying a pocket full of money.*
- * *Perhaps you are the driver of the government gold escort.*
- * *Perhaps you are the only witness to a robbery.*
- * *Perhaps you are a newspaper reporter writing about the event.*
- * *Perhaps you are the bushranger himself on the run from the law.*
