

Describe the Insect Band

Write a description of the Jazzy Bugs insect band to a person that has never seen the band before.

Plan before you write

What do you see?

:: What are you describing?

:: How many members in the band and what do they look like?

:: What type of instruments are they playing?

:: Use relative positional language to describe where each band member is in relation to each other. eg to the left of the drummer.

name: _____

 Write in sentences.  Pay attention to spelling and punctuation.

Checklist for descriptions

- Start with what is being described.
- What it looks like.
- Used descriptive words and if needed postional language & similies.
- **If relevant where it is, what it does, how it feels or smells.
